OLD BUSINESS

Jim WY8F/UNIT 266 and a few of his friends have put together a repeater using the radio that was donated by to them by Wood County Emergency Services. The repeater operates on the frequency of 147.36 Mhz. Jim says that any time the repeater is needed as a back-up repeater to use it, that's what they built it for.

Bill WF8U/UNIT 253 wanted to thank all of those who helped provide the communications at the Parkersburg Homecoming Half Marathon. Members that helped were: Ivan KD8BW/UNIT 263, Keith KE8WL/UNIT 257, Bill N8JXO, Karen N8KVU/UNIT 261, Kim N8MAG/UNIT 267, Ken WA8LLM/UNIT 251, Bob WD8BWD/UNIT 259, and Jim WY8F/UNIT 266.

A reminder was made about the Skywarn Storm Spotter's Class to be held October 4th at the Senior Center 121 South Court Street, in Ripley.

Wood County Emergency Services will be having a picnic and Gail Hartshorn the director has invited the members of Wood County Emergency Communications to attend. The picnic will be September 22nd. The picnic is the advisory council's way of showing their appreciation to all of the volunteers helping Wood County Emergency Services.
